3. Evaluation continued of the Joint Operations Graphic (JOG) for its suitability as a base for the Special Intelligence Graphic (SIG). Personnel from GD/S and GD/F met with AMS representatives and discussed problems involved in use of the JOG. It was agreed to use the "Ground" edition, and AMS will determine what technical problems are involved in omission of the color tints showing elevations.

25X1C

4. Geographic intelligence support of two technical intelligence collection projects planned by ORD/DDS and T was the subject of two meetings with OSD personnel. Branch personnel met with [REDACTED] of the Physics and Chemistry Branch of ORD, and research was then initiated [REDACTED] On 31 May, [REDACTED] of the [REDACTED] met with Branch personnel to determine if
